R-MIX Installation Guide

Installation of R-MIX

1. **Right-click the compressed file that you downloaded, and click "Extract All."**

A folder containing the compressed files is created.

* If **"Extract All"** is not shown, use your own decompression software to decompress the file.

2. **Open the extracted folder.**

3. **Double-click the file named "R-MIX Installer.exe."**

4. **Follow the directions the installer shows.**

About Authentication

If user authentication has not been completed, please use your Roland Cloud user information (that you used when downloading the file) to complete user authentication when R-MIX starts.
